- That my health will improve
- That we will be able to promote PhilSOL in more churches and to more individuals

- For the discipleship of a man I have been discipling who is being transferred - thus ending this opportunity

Testimony

- **Pastor Ramil shared the following: *I was detained in Baguio City Jail in February of 2013. I was not yet a born-again Christian. I met Pastor Charlie Notarte...he began to teach us about the Word of God through the Source of Light study materials. I didn't know anything about the Bible...I began to read the PhilSOL study materials and began to learn many things about God, Jesus, Hell, and how to be saved. These discoveries impacted my life and helped me to do deeper study in God's Word...This course really helps me in my calling as a Pastor...Now, I'm about to graduate with my Bachelor of Theology...***
