### Prayer

- That God will provide a new bus for the school so that we will be able to transport students again

## Testimony

- We have adjusted our attendance roster to include only the names of the 12 students that have continued to come since we are no longer providing transportation. Both Reyna Viridiana and Paola have brain damage since they were each born with a cleft pallet that went undetected for a few years, causing multiple brain injuries. Nayely and Victory are deaf. Dareth is blind. Javier and Eva have Cerebral Palsy. Marisol has Down Syndrome. Emmanuel has speech and learning challenges. Maria Fernanda has multiple emotional and mental issues. Ana Belén is autistic. Miguel Ángel had a stroke as a small child and has weakness on one side of his body, and severe learning disabilities. Each of our students is challenged in many ways, but they are all studying school subjects at their own level and pace. More importantly, they have a Bible lesson every day, which helps them learn how to trust the Lord to help them with their everyday challenges. Thank you for helping us to be a positive impact in the lives of these children through your prayers and giving. God bless you!
