Madison Discipleship School – Brian Thompson

Praise

- For all our staff and faithful volunteers
- For 18 people who were saved in February and for 11 saved in March (mid-month when this edition was published)

Prayer

- For the support needs of one of our missionary couples. They would like to be here, but they need the monthly support to make that possible.
- For wisdom in dealing with the prison systems' restrictions that are constantly being revised. We want to make sure that all of our students continue to get their lessons.

Testimony (From the Madison Discipleship School Mailbag)

- Ricky wrote: *As I study these lessons, I learn something new each time. The more I read and study there is always something new that I did not see before. I really enjoy doing these studies and am learning a lot from them. Thank you and thank God for your ministry. May God continue to bless each of you all.*
- Casey wrote the following: *I've been locked up in Jail/prisons since back in September 2013. I'm about to be released real soon. I'm a little scared/nervous at the thought of me getting out. The world out there has gotten so crazy. Please keep me and this issue in your prayers.*
- Carlos wrote: *I have all the books (of the courses) from the first until the last. These books are marvelous and have done a great work in my life. I promise that I will conserve them as long as I can because what I know is because the Spirit has helped me to understand through these studies.*
- Anthony wrote: *...What I like most about Source of Light is the graders' remarks, support, and caring hearts. When we write comments on the studies or ask for prayer, they always respond with love and kindness and give true advice. I have been studying with Source of Light since 6/1/2017. I am so grateful for the studies and for those that grade at Source of Light. Thanks be to God and all those who serve Him and spread His Word and love.*
