### Testimony (Taken from Bible Studies by Mail Prayer and Praise)

- Nathaniel shared: *The most meaningful part of this lesson to me is how to put on the armor of God. I work at a prison. I know I need God to protect me from Satan. I am constantly surrounded by evil. Satan has a strong hold on a lot of men at this institution. They use harsh words and sometimes actions. These words and actions can be damaging without the full armor of God.*
- Matthew shared: *I wrote to my jail chaplain and got a list of possible Bible study addresses. I chose yours as the first to write to. I am an indigent inmate (no money coming in) and I'm limited to envelopes. I'd appreciate whatever Bible study information I can get. I recently committed my life to the Lord after witnessing a bad fight resulting in the death of an inmate. I want to change my ways and get to know Christ. Thanks.*
